### Key Stage 1 Results

Pupils leaving Year 2 are assessed against a set of expected attainment standards. The Local Authority moderated these. At the end of the key stage, children are either working towards those expectations, have met them (working at expected) or are working at a greater depth.

Children at May Bank Infants School performed above pupils nationally. The proportion of children who reached an expected level in all three areas of Reading, Writing and Maths was above those who achieved this nationally. The proportion of children working at greater depth was also above those who achieved this nationally
